Dear Micah:

I am writing in response to your September 17, 2008 presentation at the Oakland University Board of Trustees meeting at which you asked to live in a university residence hall this year. The Board Chair asked the administration to review your request and reply to your inquiry.

My review is completed and I now write to inform you that my initial decision remains in effect that you may not live in a University residence hall. As I discussed with you earlier, my decision is based on university housing eligibility criteria.

I want to thank you for taking the time to address the Board and wish you much continued satisfaction and success in the programs in which you are involved at Oakland University.

Sincerely,

A handwritten signature in cursive script that reads 'Mary Beth Snyder'.
